

# PE and School Sport at Knowle

18/12/19

## Dance

As a school, we have decided to develop our dance curriculum this year and to ensure all our staff are confident in teaching dance specific skills.

This half term we have been lucky enough to have Cat, from Euphoria Dance, in school working with Years 2, 5 and 6.

Cat has worked alongside Year 2 staff to develop a Country Dance, to go with their topic of Materials, to Dolly Parton's 'Coat of Many Colours.' The staff and children have really enjoyed creating and learning a new routine.

Year 5 have created a dance linked with their Ancient Greece topic and Year 6 linked theirs to their 'Holes' topic. They have been creating, learning and performing a 'street dance' style dance and I know they have really enjoyed this- especially Mrs Timmins!

We look forward to seeing what Years 1, 3 and 4 get up to next!

## Intra-School Competition

Our intra school competition has continued this half term and this time we have been focusing on the School Games value of Self- Belief.

Well done to the pupils who were chosen by their teachers to receive a certificate for consistently displaying this value across their lessons and the competitions.

The current scores are as follows:

Arden- 240pts Grimshaw- 170pts Wilson- 170pts Cook- 170pts

## Spring Term

We have lots of exciting sporting events to look forward to during the Spring term. Here are a few: Chance to Shine Cricket coaching and festival, tag rugby coaching and festival, Euphoria Dance teaching, swimming, Personal Best challenges and festivals, Gymnastics coaching and festival, Multi-skills coaching and festival, football, netball and cricket clubs, cross country, indoor athletics and many more!

Merry Christmas and we look forward to all the sporting fun in 2020!
