CURRICULUM STATEMENT

for

FOREIGN LANGUAGES - FRENCH

Subject Leaders: Miss B Clinton & Mrs S Miller

At Knowle CE Primary Academy, we view a high quality languages education as a gateway to deepening pupils' understanding of the diversity of cultures that make up our worldwide society. It should also foster their curiosity for other ways of living and communicating. Our teaching of French enables pupils to express their ideas and thoughts in another language and helps them to understand and respond to its speakers, both in speech and in writing. We provide opportunities for our pupils to communicate for practical purposes, learn new ways of thinking and experience and appreciate literature in the original language. Our teaching of French provides the foundation for learning further languages, inspiring pupils to consider studying and working in other countries.
