

Preparing Children for the Future

CURRICULUM STATEMENT

for

PERSONAL, SOCIAL & HEALTH EDUCATION (P.S.H.E)

Subject Leader: Mrs J Litwinko

At Knowle CE Primary Academy, we believe that Personal, Social and Health Education (PSHE) and Relationships and Sex Education (RSE) are fundamental to the development of the knowledge, skills and attributes children need to keep themselves healthy and safe. Spiritual, Moral, Social and Cultural (SMSC) development and British values are at the heart of our school ethos. Children learn to understand and respect our common humanity; diversity and differences so that they can go on to form the effective, fulfilling relationships that are an essential part of life and learning. PSHE is embedded throughout our curriculum and life at school so our children can become responsible members of society, as well as preparing them for adult life in modern Britain.

Learning for Life
