REGISTER OF GOVERNORS' INTERESTS 2019 - 2020

Reviewed including any amendments for Summer Term 2020

GOVERNORS SHOULD DECLARE ALL INTERESTS, NOT JUST THOSE THE ACADEMY IS EXPECTED TO TRANSACT WITH.

Declarations should include any links with individuals, businesses, contractors, directorships, shareholdings or other appointments where the school may purchase goods or services from or who are directly employed by the school. It should also include interests of related persons such as parent, spouse, co-habitee, child or business partners where influence could be exerted by that person over a governor or a member of staff. Where a governor or member of staff or related person has any interest, either pecuniary or non-pecuniary, in a matter to be discussed at a governors' meeting, the governor or member of staff must declare their interest and withdraw from that part of the meeting.
